

IMPORTANT INFORMATION ABOUT WHERE WE SEND YOU FOR SERVICES

We generally recommend that our patients go to the Golisano After Hours Pediatric Urgent Care at Community, located at 4900 Broad Road in Syracuse, 315 492-KIDS (5437) or the Pediatric Emergency Room at Golisano Children's Hospital, 750 East Adams Street, Syracuse, NY 13210 Phone: 315 464-5565 when our offices are closed. You may contact both directly to inquire about what insurance plans they accept. We send our patients to Lab Alliance of Central New York for labwork. While they generally accept most of the plans available in our area, you should check with them to see if they participate with your specific insurance. You may also wish to inquire if they use any reference labs and whether they participate with your insurance or not. Their contact information is: Laboratory Alliance of Central New York, LLC, 1304 Buckley Road, Syracuse, NY 13212-4302. Their telephone is: 315 461-3008 and their website is www.laboratoryalliance.com. It is not possible to know what insurances are accepted by the varied specialists to whom we refer our patients. Below is a list of these offices with their phone numbers. You are encouraged to contact them directly to inquire about insurance participation, in network or out of network costs. For more information about the Surprise Bill Law, go to www.dfs.ny.gov/consumer/hprotection.htm
